

Sister Jane Frances Society

Sister Jane Frances Powers was St. Jude's first president. Under her 30 years of leadership, St. Jude grew to become one of Southern California's most advanced and respected health care providers.

Those who bless St. Jude with a legacy gift are welcomed into the Sister Jane Frances Society in recognition of their faith in the future of patient care.

As a Society member, supporters are named on a special Sister Jane Frances Society Wall in the hospital's lobby and invited to special events and programs.

The lace is not finished.

The Sisters of St. Joseph of Orange founded St. Jude Hospital in 1957, but their legacy began in 1650 when a group of pious women came together in Le Puy, France to ease the suffering of the sick and vulnerable in their neighborhoods.

The Sisters made lace to support the work of their new community. Today, the intricately-connected and seemingly unending threads in lace symbolize the work that must be continued together to serve the needs of the "dear neighbor" into the future.

To become a part of this bold and humble legacy, we invite you to fill out this form or contact the St. Jude Memorial Foundation.

LEAVE
YOUR
LEGACY

I alone cannot change the world, but I can cast a stone across the waters to create many ripples.

– Mother Theresa

Your legacy is precious.

It holds the values you live by, the people you impact and the service you bestow onto others.

Your legacy is who you are and how you want to be remembered.

When you make a gift to St. Jude through your estate, you support the future of high quality health care, delivered close to home, for your loved ones and neighbors.

You leave a legacy of healing and compassion that echoes on through the lives forever touched by your generosity.

It starts with your vision.

Whether you would like your gift to start working today or benefit St. Jude after your lifetime, you can find a charitable plan that meets your goals. For example, you can make a gift to St. Jude that pays income back to you or your loved ones.

Popular ways to give include:

- Gifts through wills and trusts
- Beneficiary designations
- Gifts that pay life income
- Stocks/securities
- Real estate
- Charitable IRA rollover

We're here to help.

We can help you design a plan personalized to what matters most to you.

Endowment: A Lasting Legacy

An endowment gift forever links your legacy with the future of St. Jude. The principal is invested and protected, while the earnings provide an ongoing funding stream for the programs most meaningful to you. The endowment will carry your name — or the name of someone you wish to honor — in perpetuity. It is a wonderful way to support St. Jude's healing work and make a lasting impact in the community.
